

DEL MONTE QUALITY POLICY

Del Monte Philippines, Inc. is committed to Total Customer Satisfaction in providing food products that meet the highest global standards in quality, food safety, hygiene and service. The company is also committed to environmental & sustainability objectives, statutory & regulatory compliance, and continual improvement of the quality system.

We achieve this by ensuring the best quality in materials we use and the processes and specifications we deploy. We adhere to the highest ethical standards within our operations and in dealing with our business partners. We make sure our people are trained to perform their duties well. We practice the company Vision and CHOICE Values as a way of life.
